If we focus on what we do not have,
the list is never ending.

Gratefulness means
feeling and giving thanks
for the benefits we
have received.

It is impossible to be
grateful and unhappy
at the same time.

TerraCuddle® Gutierre shows that the right chords
from his guitar make a beautiful harmony. Inspiring
Gratefulness, Gutierre challenges each of us to find
the right chords to make harmony in our own life.
